PROFILE

I'm Rakibul Islam, a software engineer passionate about crafting elegant solutions. Dedicated to innovation and learning, I thrive in collaborative environments to create impactful software products.

WORK EXPERIENCE

Shopno 2023 - 2024T
AS A DA

- As a DA at Shopno Super Shop, I was responsible for overseeing daily store operations, ensuring stock accuracy, assisting customers, and maintaining store presentation. I provided excellent customer service, contributing to the overall success and smooth running of the shop.-

EDUCATION

Bachelor of Science 2022 - 2026

DHAKA INTERNATIONNAL UNIVERSITY

GPA: 3.65 / 4.0

HIGHER SECONDARY CERTIFICATE 2017 - 2020

FAZILATUN NESSA MUJIB GOVT COLLEGE

GPA: 4.00 / 5.0

SECONDARY SCHOOL CERTIFICATE 2012 - 2017

SUAGRAM HIGH SCHOOL

GPA: 4.18 / 5.0

PROJECTS

SCHOOL MANAGEMENT SYSTEM

- I created a School Management System using Django, designed to streamline administrative tasks. The project features user authentication, student enrollment, grade management. It allows administrators and student data efficiently, while providing a secure and user-friendly interface for students.-
